2. During **National Learning Week**, all non-teaching staff are requested to complete at least **4 hours of learning** through the following activities:

- Exploring additional courses suggested by the **Capacity Building Commission (CBC) for All (Encl. 2)**.

Credit equivalent to 1 course and a completion certificate will be provided for attending each webinar.

3. At the end of National Learning Week, top performers will be recognized by the Capacity Building Cell, UGC for Individual Excellence. High performers will be recognized based on their course completions, learning hours and participation in webinars.
