Date:18.09.2025

CIRCULAR

The Election Commission has further clarified the following:

1. The Election Commission would like to inform all students that some of the ongoing students have not completed their semester registration for the July-December 2025 session. As a result, the Office of the Controller of Examinations has removed their names from the Electoral list attached. Please verify your status at the C.E. office.
2. The list of students who have successfully registered for the semester has been posted on the University website as the Electoral Roll.
3. Additionally, students who have completed their semester registration during the last five days are not listed in the attached Electoral Roll. However, they are permitted to vote since they have a valid semester registration ID.
4. Lastly, the students who are unable to download their ID cards are advised to visit the counters at the Academic Section, Office of the Controller of Examinations. **These counters will be open from 10:00 a.m. to 5:30 p.m. from September 17, 2025, to 19, 2025.**

All students are requested to take note of this information.
