As there are very few Dental Hospitals recognized by CGHS (only Dr. Anu's Dental Care, Chikkadpally, Hyderabad agreed to provide at CGHS tariff) and some Hospitals are not willing to extend the CGHS tariff for many procedures, it is advised that the beneficiaries may consult any Dental Hospital located in the twin cities for their treatment. However, reimbursement will be restricted to the rates prescribed in the CGHS tariff and no advances will be sanctioned for these cases.

Instructions to the Employees and Pensioners:

- Whenever, the beneficiaries visit the referral Hospitals, they are advised to insist the Hospital to mention the CGHS code in the Estimation Form without fail for all treatments to avail 90% Medical Advances, carry their Original medical Identity Card (s) and submit a copy of the same to the Hospital Authorities, for undergoing in-patient & out-patient treatment. While seeking admission for undergoing treatment as in-patient, the beneficiaries are advised to submit a copy of the latest pay slip to the Hospital authorities to enable them to allot applicable accommodation. In Case of Non-CGHS treatments, the University will provide only 50% advance or up to 70% at the discretion of Medical Officers of UH Health Centre.
- The procedure hitherto being followed with regard to drawing of Medical Advance, Adjustments of Medical Advance and submission of Medical Reimbursement claims shall remain the same.
- At the time of leaving the hospital after undergoing treatment, the beneficiaries shall ensure that the Discharge Certificate, Original Bills, Essentiality Certificate, etc. duly signed by the Hospital Authorities / Medical Officer, are obtained for the purpose of settlement / reimbursement of expenses incurred.
- All the claims (in-patient and out-patient) will be restricted to the rates prescribed under CGHS tariff and revised from time to time. The in-admissible expenses, if any, shall be borne by the beneficiaries themselves.
 - Wherever there are no CGHS rates for procedures/tests, the bills will be regulated at the current rate prevailing/adopted by AIIMS/NIMS.
- In emergency cases involving accidents, serious nature of diseases, etc., the patient may be admitted in any Private Hospital / Clinic, in case no recognized hospital is available at nearby location. In such cases, a certificate from the doctor / hospital stating that the patient is admitted under emergency circumstances / condition, shall be obtained and submit the same to the CMO, University Health Centre, for recommending payment.

6. All the beneficiaries are advised to submit that claims in the prescribed application form duly furnishing all the particulars mentioned therein, along with necessary certificates / bills for their settlement / reimbursement.
